

Dear Parents and Students,

Welcome to first grade! Our theme for the 2025-2026 school year is “Gallop Into First Grade”! We are looking forward to being your teachers next year and getting to know you and your family. We are going to have an exciting year of learning together.

Here are some of the fun things you’ll be studying in first grade. In Science, you will learn about magnets, light, and sound. You’ll study plants and animals, plus weather and seasons. In Social Studies, you will study American heroes, learn about the continents and oceans, and investigate the world in which we live (city, county, state, and country). In Language Arts, you’ll learn how write paragraphs and stories, as well as informational and opinion articles. You’ll also learn about nouns, verbs, adjectives, and pronouns. In Math, you’ll master all the addition and subtraction facts (sums up to 20), learn how to add and subtract 2- digit numbers with regrouping, learn how to make your own graphs, write your own word problems, and find out about place value (hundreds, tens, and ones) – You’ll become “math geniuses”! You’ll learn many new words and become fantastic readers.

We want our students to read as much as possible over the summer. Each child will be asked to turn in a reading log with **125 books/entries** on the first day of school. We do not give a suggested reading list because our students are on different reading levels, and we want the children to read what they are interested in and enjoy. Write the titles of the books on the summer reading log and give it your teacher when school begins on August 4th.

**Once you know who your teacher is, please send an email introducing yourself (This helps us set up our email distribution list).**

Have a fabulous summer! We look forward to seeing you in August!

Parent's Signature \_\_\_\_\_ Total Books \_\_\_\_\_

**\*You will need to have 5 pages of this log in order to have a total of 125 books.** If you read a book more than once, you can record it multiple times. If you read a chapter book, each chapter can count as an entry in your reading log. Thank you for your hard work with this challenge. It will be worth it and we will celebrate this achievement at the beginning of first grade!

## Form A

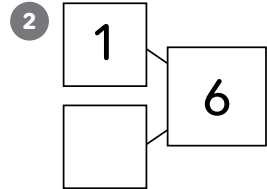

## Solve the problems.

- 1 Moses has 5 books.  
He finds 4 more books.  
How many books does Moses have now?

$$5 \bigcirc 4 = \underline{\quad}$$

\_\_\_\_\_ books

$$1 + \underline{\quad} = 6$$

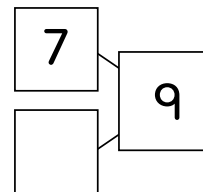

$$6 - 1 = \underline{\quad}$$

## Form A

- 3 There are 6 mango fruits.  
4 mango fruits are ripe and the rest are not.  
How many mango fruits are not ripe?

\_\_\_\_\_ mango fruits

- 4  $9 - 7 = ?$  Circle. 

16

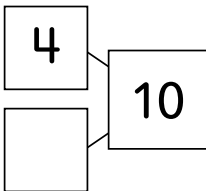

7

2

## Form A

- 5 There are 8 pencils.  
Some pencils break.  
Now there are 5 pencils.  
How many pencils broke? Circle.
- 8 pencils      5 pencils      3 pencils

- 6 Show partners for 10.  
Write two equations.

$$\underline{\quad} + \underline{\quad} = 10$$

$$\underline{\quad} + \underline{\quad} = 10$$

## Form A

- 7 Find  $6 + 2$ .

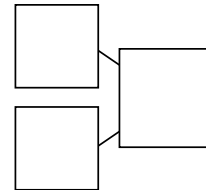

1	2	3	4	5	6	7	8	9	10
---	---	---	---	---	---	---	---	---	----

Start at \_\_\_\_.

Count on \_\_\_\_.

$$6 + 2 = \underline{\quad}$$

- 8  $10 = 3 + ?$  Circle.

3      7      10
